## ABOUT US

Since our beginnings over 15 years ago in Dublin we have become Ireland's leading importer and distributor of coverings and surfaces. We began working exclusively with stone, but quickly expanded our range to include porcelain, ceramic, glass, wood flooring and sanitary ware – always with the goal of delivering the very best quality products to our clients.

Our specialist knowledge and experience, and our unwavering belief that quality lasts, has enabled us to source the best materials from all over the world. Today, our 8,000 sq ft showroom in Ballymount, Dublin 24, is a treasure trove of all manner of coverings and surfaces, from wood, paving and cladding to tiles, countertops and sanitary ware.

Our vast range enables you to complete your domestic or commercial projects all under one roof, and at a great price too. Come and let us inspire you, and let our products and expertise transform your project.
